## **PROJECT UPDATE**

Westbridge Renewable Energy Corporation ("Westbridge") is proposing the 200MW Dolcy Solar + Energy Storage Project to be developed under the name Dolcy Solar Inc. The Project is located near Metiskow, Alberta, within the Municipal District of Wainwright encompassing portions of Sections 19, 30 & 31, Township 41, Range 4 W4M and Sections 25 & 36, Township 41, Range 5 W4M.

After hosting our first open house in April, we heard from stakeholders that a second open house would be beneficial to continue engaging with you.

We invite you to attend our second community open house, where you will have the opportunity to learn more about the project, ask questions and talk with our team.

**MONDAY, JULY 17, 2023**

**4:00 - 7:00 (Drop-in)**

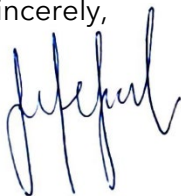

**Edgerton Agricultural Hall**

**4916 50 Street, Edgerton, AB T0B 1K0**

Westbridge is committed to building trust with local stakeholders and engaging proactively with communities to ensure that their interests are appropriately considered in our project planning and decision-making.

I look forward to meeting you in person at our open house. If you are unable to attend and would like more information, please contact me to arrange a one-on-one meeting at your convenience.

Sincerely,

Jennifer Traichel  
Development Project Manager, ASCENT Energy Partners Ltd.
